Proceedings of the Special General Meeting of the City Municipal Council, Bangalore, held on Friday the 24th September 1943, at 4 P in the Council Chamber of the City Municipal Offices, Bangalore City

Mr H R Guruv Reddy and others to move -

"Resolved that this Council do present a civic address to Dharmaprakasha L S Venkaji Rao and Dharmaprakasha Devarao Shivaram in recognition of their philanthropic services to the cause of the health of this City in particular and the State in general, by bountifully donating for an Ayurvedic Hospital and a Tuberculosis Sanatorium respectively and an expenditure not exceeding Rs-300/- be incurred in this behalf

Mr H R Guruv Reddy explaining the proposition said that the ~~xxxxxxxxx~~ position Ayurveda held today was due to the fact that the Allopathic doctors had pledged to stick to it alone and that he had many a time in the Legislative Council urged for giving an impetus to Ayurvedic treatment of diseases His ambition was now realised - thanks to the princely endowment of Dharmaprakasha L S Venkaji Rao for the construction of an Ayurvedic Hospital in Bangalore ~~xxxxxx xxxxxxx~~ Formerly, this department was placed under the charge of the Muzrai Commissioner and thanks to the Government they have also taken up the question seriously

He said that Mr Venkaji Rao was his neighbour for a long time and that his father also was a resident of his division Mr Venkaji Rao had done great service to Mysore - may to the whole of India for the impetus he had given to the Ayurvedic treatment of diseases He sincerely thanked Mr Venkaji Rao for the great service he had done

Speaking of Mr Devarao Shivaram, he said that Mr Shivaram was widely known and that he was a very wealthy person The terrible disease, Tuberculosis was working havoc in the City and for treatment persons had to go either to Mysore or Madanapalli Thanks to the munificent donation made by Dharmaprakasha Devarao Shivaram, we can boast to have a Tuberculosis Sanatorium in Bangalore shortly He thanked Mr Shivaram on behalf of the Council

Mr T L Gangoji Rao seconding the proposition said that both the gentlemen had made princely donations and helped to promote the health of the City in general and therefore, the Council were indebted to them He wished them long life, health and further prosperity

Mr P R Ramiah said it was with great joy that he rose ~~arose~~ to support the motion before the House, as it was the first time they were honouring their own countrymen He said that this was heading towards many such functions, as it would be an incentive to many of our rich and philanthropic gentlemen to come forward with munificent donations for similar purposes He had closely known Mr Venkaji Rao and that he acted as a hero, for, as soon as the idea of donating came up in his mind, he gave away freely Apart from this big grant, he had been so liberal to ever so many It was gratifying to see amidst us shortly a Tuberculosis Sanatorium, from which dire disease so many of the citizens were suffering and he thanked Mr Devarao Shivaram on behalf of the Council and prayed for the long life and health and prosperity of both the gentlemen and he hoped that their munificent grant would be an impetus for others to follow

Mr C N Narasinga Rao, said, he was pleased to be a party in thanking two of our eminent citizens He knew Mr Venkaji Rao since a long time and it is due to the effort of Mr Venkaji Rao that Ayurveda, which was eclipsed for a long time, had come to lime light he said that Ayurveda was the only treatment that was within the reach of the poor, as Ayurveda medicines were cheap The donations were really an incentive to others to follow He thanked the Gentlemen for the big grants made by them

p t o

The President associating himself with the senti entsix already expressed by his predecessors, said, the civic conscience appealed the House to call for such a meetin and pass a resolution for honouring two of our esteemed citizens the gifts were spontaneous and the cause for which they are given are no eworthy On behalf of the Council, he thanked the gentlemen for t e very munificent grant made by them

The proposit on was put to vote and carried unanimously
